

Product Highlights

- Options for anatomic variabilities
- Multiple curve configurations for ease of placement
- Push/pull handle for steering control
- 1 mm band electrodes

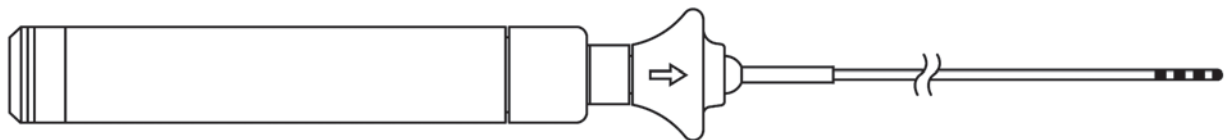

Ordering Information

4 F Quadripolar steerable diagnostic catheter (1 unit per box)

Reorder Number	Description	Tip Electrode (mm)	Electrode Spacing (mm)	Curve Type	Usable Length (cm)
IBI-81540	1104-4-25-M	1	2-5-2	Medium	110
IBI-81542	1104-4-5-M	1	5	Medium	110
IBI-81543	1104-4-25-L	1	2-5-2	Large	110

Required Catheter Connecting Cable – Page 122

Reorder Number	Model Number	Description	Length (m)
IBI-85953	1904-SA	4-Pin Diagnostic Connecting Cable	1.5

Product Highlights

- Variable electrode spacing for pacing and recording
- Multiple curve configurations for ease of placement
- Push/pull handle for steering control
- 1 mm band electrodes

Ordering Information

4 F Decapolar steerable diagnostic catheter (1 unit per box)

Reorder Number	French Size	Electrode Spacing (mm)	Curve Type	Usable Length (cm)
